Looking for Donations

To help support fun learning opportunities at school, Mrs. Kastelan from Speech and Language and Mrs. Harms, Learning Support Teacher, are looking for donations of particular toys and games. If your family no longer uses your Fisher Price Farm set with animals, preschool wooden puzzles, and games for young children including Pop Up Pirate, Pig goes Pop, Cariboo Cranium, Crocodile Dentist, or Who Knows Whose Nose, ARES school would love to incorporate them into learning activities:)

Breakfast Program– Thank you

Thank you Charlene Rast of the Pickle Patch for donating the eggs for our breakfast .

We are currently serving over 100 students every morning. It is great to see the students be-

ing fed before they start learning for the day. This time is a great place for positive social interaction between all the students and is helping to develop our belonging and sense of community at Adam Robertson School.

If you are able to, and would like to, donate money to help support this very beneficial program at our school a donation jar has been made. It will be set out during the breakfast time in the gym and in the office for the rest of the day. Our many volunteers and students appreciate your support.

Looking for Traffic Safety Volunteers

We are looking at addressing some of the traffic issues with students crossing the roads around ARES before and after school. We are hoping to have a crossing guard program up and running for these times. In order to do so we need to secure some adult volunteers to be willing to be a crossing guard with some student volunteers. We would like to

have 2 volunteers every day before and after school. If you are willing please contact the school office and leave your name, contact number, and when you are available to volunteer. Thank-you for helping to ensure the safety of all our students.
